Volume 34 Issue 10 April 2023

Springing into April

We closed March with a great Pot Luck dinner. The tables were full of a good variety of delicious home cooking. We will do that again!

Our April theme party will be “Rags or Riches” to held Saturday night, April 22nd at 7pm. April being TAX month...you either paid taxes or received a return, right? The idea of this party is if you paid taxes wear rags (use your imagination & have fun with it) and if you received a return, dress up. Now, this is not mandatory but it makes the party fun. And the table decorations? Half of the tables will be up class while the others will be kind of down to earth, shall we say.

This party night will be our first charity since Covid. The VFW is collecting personal items for our veterans that are in the hospital and are of need of certain items. So for the night of the party instead of a \$5 door fee we are asking that you bring one of the following items:

A variety sizes of:

- T-shirts
- Underwear
- Shorts & Sweatpants
- Socks
- Shoes
- Body wash or 3 in 1
- Laundry detergent

The Ladies Auxiliary will take these items to the hospital for distribution. If you have any questions about the party please ask one of our officers. Let’s help those who have protected us!

This Party Started 34 Years Ago

By Doug Brown

If you loved oldies music and bop dancing, then the place to be in the mid 80's was Chevy's, a night club located near the corner of Murfreesboro Road and Thompson Lane. Chevy's was the hottest club in town back then and that was where you could always find a group of the few remaining bop dancers in Nashville every night of the week. It all started about six – that's when they served the free buffet and good happy hour drinks and you could get ready for a night of pure fun – and all the dancers knew each other. That place, the people, the music and the dancing became a basic thing in many lives and friendships were formed then which are still alive today.

Eventually, because of neglect by the owners, the place became a shadow of itself, and Chevy's was sold and the music format changed. The bop dancing oldies lovers were left with no place to dance to our music. Some of us heard about a group in Memphis that had formed a club based around the same music and dancing we enjoyed so several Nashvillians journeyed to Memphis to find out what it was all about.

They found the Memphis Bop Club and before long, a group of the Memphis Boppers came to Nashville to show us how it was done. Our small group contacted everybody we could find from the old Chevy's crowd and along with nearly a hundred Memphis Boppers, we threw a party at the Marriott that was a huge success. Our group began to believe that we could do in Nashville what had been done in Memphis. Organizational meetings were held to get the ball rolling and on April 28, 1988 the Music City Boppers, Inc. were granted a charter by the State of Tennessee as a nonprofit corporation.

The founders donated lots of time and the necessary money to get the Club started. In May, 1988, we published our first newsletter and on Saturday, July 9, 1988, the Club held its first "private party" which was attended by 137 members and guests.

Everybody had a great time – and made memories they will never forget. Over the years, the Music City Bop Club has sponsored many more fantastic parties and has donated many, many thousands of dollars to good causes, including the night we sponsored a concert by the Drifters and raised \$10,000 for Jerry's Kids. We've worked hard, too, while we partied, like the time we served all the beer at Nashville's Summer Lights Festival, made about \$8,000 and gave it all away.

Time marches on, we all get a little older and a lot better, and things change. Most of the music we dance to now is a little different from what it was back then, but don't forget that we are older and better than we were back then. The important thing is that we are still having the party, making good friends and dancing to the music like we did back then. This party started 29 years ago – let's keep it going till 34 years from now.

WE ARE THE MUSIC CITY BOPPERS !!!
